

## PROCESSIONS LONDON: TRANSPORT GUIDANCE

**Starting Point:** Park Lane, W1K 7AJ

**Finishing Point:** Abingdon Street, SW1P 3JY

Participants are encouraged to use public transport where possible. Please note that due to the nature of the event and the need to close roads for the PROCESSION to take place, there will be diversions in place and additional congestion in Central London.

### GETTING TO THE START

#### **BY PUBLIC TRANSPORT**

Marble Arch, Bond Street, Hyde Park Corner are within a 10 minute walk of the starting point.

Green Park (step free) is within a 15 minute walk of the starting point.

The closest mainline station to the starting point is Victoria Station.

Check your journey before you travel at: [tfl.gov.uk/plan-a-journey/](https://tfl.gov.uk/plan-a-journey/)

There are planned part closures on the Circle, Hammersmith & City, and Overground lines. [Please click here for further details.](#)

As the bus network will be disrupted and re-routed during the road closures, please ensure you research local bus services before you travel: <https://tfl.gov.uk/modes/buses/>

#### **BY COACH**

Due to the large number of people expected at PROCESSIONS and the road closures in place to facilitate the event, Central London coach parking will be limited and it is expected that the roads will be extremely busy.

We suggest your coach parks outside of Central London and you travel to and from your coach parking location to the starting point and finishing point using the Transport for London network.

We suggest that your coach parks for the day at the following places, where we have reserved a number of coach bays for your use. Booking directly, in advance is essential and coach bays will be available on a first come first serve basis. You will need to leave at least an hour to travel from the following coach parks to the start.
