

# 1918 PROCESSIONS 2018

**PROCESSIONS takes place in Central London on Sunday 10<sup>th</sup> June 2018**

**This letter contains essential information about how the PROCESSIONS event could impact on your business or where you live.**

PROCESSIONS is a mass participation artwork to celebrate one hundred years of votes for women. On Sunday 10<sup>th</sup> of June, women and girls will walk together wearing either green, white or violet scarves, the colours of the Suffragette movement, to create a flowing river of colour through the city streets. The event is produced by Artichoke and commissioned by 14-18 NOW, the UK's arts programme for the First World War centenary. Find out more about the project at: [processions.co.uk](http://processions.co.uk).

We are expecting at least 40,000 participants. Participants will begin to gather from 12.15pm on Park Lane (southbound) with the PROCESSION starting at 14:00. The event is due to finish by 18:00. Please note that these timings are subject to change and will depend on the number of people taking part.

We are working closely with Westminster City Council, the Metropolitan Police and Transport for London to minimise the impact on the local area and ensure that the event runs as smoothly as possible for everyone.

Route: Park Lane > Piccadilly > St James's Street > Pall Mall > Cockspur Street > Whitehall and across Parliament Square

**Finishing point:** Abingdon Street, SW1P 3JY

### Road closures

Road closures will not affect access for emergency vehicles. Pedestrian access to properties will be available at all times and local access on feeder streets will be facilitated where possible. It may be necessary to facilitate additional closures on the day to ensure the safe running of the event. Roads will be closed to all traffic including bicycles.

### Public Transport

As a result of the road closures, stations along the route may be busier than usual and some bus journeys across parts of central London will be diverted or stop short of their destination. Please remember that large crowds are expected in London and to plan your journey allowing plenty of time to reach your destination. Check your travel at [www.tfl.gov.uk](http://www.tfl.gov.uk).

### Planning deliveries

If you make or receive deliveries in central London, you may be affected by congestion and increased journey times because of the above road closures. If you are located near the road closure area, you should talk to your customers and suppliers in advance to consider if there are changes you can make to your deliveries. More information can be found at [tfl.gov.uk/freight](http://tfl.gov.uk/freight).
